botafarma

Health Products Trade and Industry. Co. Ltd.

ABOUT US

Botafarma Health Products was established in 2010 to serve the market of herbal and natural products.

According to our company establishment philosophy, we aim to continue building bridges from the past to the future combining active therapeutic and protective resourced herbal and natural active raw ingredients with up-to-date scientific pharmaceutical technology in accordance with regulations offering it to medical and humanity service against diseases for centuries.

Our company produces food supplements, herbal products, vitamins, minerals and herbal cosmetics as well as contract manufacturing of CE certified products in the form of liquid (syrup), tablet, cream, ointment, hard capsules, soft capsules and sachets.

We have a 2500 m² closed area over a 3600 m² area industry that has the ability to perform mass production with sector requirements of GMP, HACCP, CE certified products standards.

botafarma

Natural Thyme Effect Against Cough

**Thyme and Primula Veris
Support in Cough ***

Bidirectional Effect

**Thyme Extract
(Antitussive)**

**Primula veris Extract
(Mucolytic)**

While Primula veris Extract softens mucus with mucolytic effect, Thyme Extract provides relief by eliminating spasm in tracheal smooth muscles.

- **Thymus vulgaris** : Essential oil components, phenolic compounds; acute dry cough, viral and bacterial base.
- **Primula Veris** : Saponin content; mucolytic effect (superior to hederata helix).
- High amount of thyme extract.
- Proper amount of primula.
- Quick relief and expulsion of acute / subacute cough.
- Support for the treatment of infection.

* European Pharmaceutical Agency proposes.
